

Full Paediatric First Aid - Blended + Emergency First Aid at Work

One Day (7 Hour) Practical & One Day (6 Hour) eLearning

Ofsted Approved

In- House

eLearning

Overview

This innovative course is split into two parts; Day 1 combines **6hrs** of **practical Paediatric First Aid** training with **1 hour** of **Emergency First Aid at Work**, and is presented at your setting on a date of your choosing. Day 2 consists of **6hrs** of **interactive eLearning**.

We use the latest training techniques to maximise recall and provide learners with the skills, knowledge and confidence to act effectively when emergencies arise.

What to expect

- Comprehensive trainer-led practical training day
- Fully interactive eLearning
- Free online annual refresher
- Certificate of Achievement and window sticker for your setting
- Professional, qualified, and dynamic trainers
- Suitable for new or experienced first aiders
- Fully certified for 3 years
- Two free manuals sent to your setting with the certificates

Location, Duration, and Numbers

- **Practical Day;** Takes place at your setting on a date / time of your choosing.
- **eLearning;** This stage is completed via any internet device, and takes approximately 6hrs to complete. eLearning must be completed within 4 weeks of your In-House practical training day.

As per HSE guidelines we restrict our courses to **12 learners per trainer** - although there is no limit to the number of learners you may include as we can supply multiple trainers.

Refresher Training

The HSE recommend learners update their skills annually. Tigerlily Training provide **free online refresher** training.
