

Anaphylaxis & Asthma

Three Hour Course

3 Hrs

Overview

Our **3 hour** Anaphylaxis & Asthma Course is available either **In-House at your place of work** or **Online**. The course provides essential information and skills for anyone working with children or adults with allergies. There is a known link between Anaphylaxis and Asthma, so the course focuses on the prevention, recognition and treatment of Anaphylaxis & Asthma, including the use of Auto-Injector Pens.

Who is the course suitable for?

- Anyone seeking to widen their first aid skills in this area
- Workplace First Aiders
- Early Years Staff / Childcare Professionals

What to expect

- 3 hours of comprehensive, dynamic training
- Auto-injector demonstrations
- Flexible start / end times to suit your setting and attendees
- Professional, qualified trainers when course is held In-House

Location, Duration, and Numbers

This **3 hour** Tutor Led Practical Training takes place at your setting.

As per HSE guidelines we restrict our group courses to **12 learners per trainer** - although there is no limit to the number of learners you may include as we can supply multiple trainers. There is no limit when booking eLearning.
